Dear Sir:

This is in response to the Notification of Missing Requirements Under 35 USC § 371 in the United States Designated/Elected Office (DO/EO/US), dated 11/22/2006. A copy of this Notification is enclosed.

The Notification indicates that the oath or declaration is missing. Therefore, enclosed is an executed Declaration and Power of Attorney in compliance with 37 CFR 1.497(a) and (b) for the above-identified application and authorization to charge the \$130 surcharge.

The Notification further indicates that Applicant owes an additional \$250 for 12 pages in excess of 200 pages. However, Applicants paid for 239 pages which includes; 211 pages for the published PCT specification and claims, 1 page for the PCT cover sheet with abstract, 0 drawings, and 27 pages for the preliminary amendment. According to the EFS-Web instructions that Applicants followed, the application size fee is calculated as follows:

239 minus a 25% reduction for EFS-Filing = 179 pages, minus 100 = 79, divided by 50 = 2, and 2 multiplied by \$250 = \$500.

Applicants believe that they correctly calculated the number of pages, and paid the correct amount of \$500. Therefore, the fee for electronically submitting the application has been paid in full. If there is an error in this calculation, please advise as to where the error occurred.

Applicants' search fee was insufficient, and therefore Applicants hereby submit an additional \$300.
